

Data I/O to Present at the Planet MicroCap Investor Conference Powered by MicroCapClub

Redmond, WA, May 21, 2026 – Data I/O Corporation (NASDAQ: DAIO) (the “Company”), the leading global provider of data provisioning solutions for flash memory, microcontrollers and security ICs, today announced that it will be presenting at the Planet MicroCap Las Vegas 2026 Investor Conference Powered by MicroCapClub on Wednesday, June 17, 2026 at 11:00 AM PST at the Bellagio Resort & Hotel. William Wentworth, President and CEO of Data I/O Corporation, will be hosting the presentation and answering questions at the conclusion.

During the presentation, Mr. Wentworth is expected to discuss the following:

- The recently announced transformative acquisition which is expected to provide greater scale, strategic shift toward higher value service-based revenues, and critical IP to further strengthen The NEW Data I/O. The acquisition also is expected to nearly double the annual revenues of Data I/O as well as be accretive to earnings and cash flow.
- Significant direct investment of \$9 million to support The NEW Data I/O, subject to the satisfaction of regulatory approvals and other customary closing conditions.
- 2026 business framework, including second quarter 2026 revenue guidance of \$5.0-5.4 million, implying a minimum of over 50% sequential growth from the first quarter.

Safe Harbor/Forward Looking Statements and Disclosure Information

The Company cautions you that statements contained in this press release regarding matters that are not historical facts are forward-looking statements. Such forward-looking include, but are not limited to, the anticipated use of proceeds of the financing, the ability to receive shareholder approval regarding the size of the financing, and the registration for resale of the securities being issued and sold in the financing. These statements are based on the Company's current beliefs and expectations. The inclusion of forward-looking statements should not be regarded as a representation by the Company that any of its plans will be achieved. Actual results may differ from those set forth in this press release due to the risks and uncertainties inherent in the Company's business, including, without limitation, market, market risks and other market conditions; and financing contingencies/shareholder approval.

Factors that may impact the Company's operations and finances include uncertainties as to the ability to record revenues based upon the timing of product deliveries, market acceptance of Edge AI, shipping availability, installations and acceptance, accrual of expenses, coronavirus or other business interruptions, changes in economic conditions, part shortages, business disruptions and other risks including those described in the Company's 10-K, 10-Q and other periodic filings with the Securities and Exchange Commission (SEC), press releases and other communications.

Data I/O may use its website (www.dataio.com) and investor relations page (www.dataio.com/Company/Investor-Relations), its X account ([@DataIO_Company](https://twitter.com/DataIO_Company)), and its LinkedIn page ([linkedin.com/company/data-io](https://www.linkedin.com/company/data-io)) to disclose material non-public information and for complying with its disclosure obligations under Regulation FD. Accordingly, investors and other interested parties should monitor these sites, in addition to following Data I/O's press releases, Securities and Exchange Commission (SEC) filings, public conference calls and public presentations/webcasts.
